Discussion: Consider: What is it? What is your interpretation rationale? How does this context relate to surrounding contexts? Have there been post-depositional processes? Are there special characteristics of this context? How was this context formed? What do you think is the origin of this context?

C216 is a context we clarified in this season. It's on the north-west of the trench. It is in part of the excavated area from last season. We defined the dimension and the composition. No excavation in this context.
